2017 DUES

The dues for 2017 were not increased. There was two proposed budgets for 2017 presented to your Board of Directors. The board voted not to increase the dues for 2017. If you paid the January dues with the increase, you will get a credit on your member's account for the increase amount, which will show on your February statement. Our sincere apologies for the error.

Re: litigation disclosure

Dear Silvertree Members:

As reported to you in August 2016, the Silvertree Mojave Homeowners Association, Inc. ("Silvertree"), its Board of Directors, individually and as members of the Board of Directors and Don Murphy, your manager, also individually and d/b/a Management Solutions ("Silvertree Defendants") have all been sued in the United States District Court of Northern California by Domenica Lewis; Jarrold Lewis; Domenica Lewis as the guardian ad litem for their minor children and themselves and all others similarly situated; and Project Sentinel, a California Non-profit corporation on behalf of itself and the general public.

The case was filed on June 24, 2016, and bears Case Number 4:16-cv-03581. The case states it is a Class Action Complaint for Violations of the Federal Fair Housing Act, California Fair Employment and Housing Act, Unruh Act, and for Breach of Fiduciary Duty. They have demanded a Jury Trial. The essence of the case is their claim Silvertree allegedly discriminates against children in the application of its rules and regulations.

The defense of the lawsuit has been tendered to Farmers Insurance ("Farmers"), Silvertree's insurance company. Farmers issued Silvertree's liability insurance policies. Farmers has accepted and agreed to pay the cost of defending Silvertree and all of the named defendants. Therefore the cost of paying for the law firm representing the Silvertree defendants is being paid for in its entirety by Farmers and Silvertree is not contributing to this cost. Further, if any financial liability is imposed against the Silvertree defendants, it was be the result of negligence and certainly not intentional discrimination against children. Accordingly the settlement or judgment, if any, should be paid by Silvertree's two Farmer's insurance policies: its general comprehensive liability and Directors and Officers liability policies.

A response denying all of the substantive allegations of the complaint (lawsuit) was filed. All of Silvertree's rules and regulations are age neutral. They do not refer to children or the age of an individual. The plaintiffs are taking the position that because the rules were enforced against children more often than adults, they therefore discriminated against children. The position of the Silvertree defendants is the rules and regulations were enforced without regard to age, but on the basis of complaints and reports of violations. Silvertree cannot control the age of individuals who violate its rules and regulations. Accordingly, the Silvertree defendants are vigorously defending against any and all claims of wrongdoing. The complaint is unclear on the magnitude of the financial relief the plaintiffs are claiming they are entitled and therefore the

extent of Silvertree's liability, if any, is unknown.

Please be advised if you are in the process of selling your home you **MUST** disclose the existence of this lawsuit to ALL prospective buyers. For the time being you may discharge your duty of disclosure by providing a copy of this letter and advising the buyers they have the right to exam and inspect the District Court's file in this matter.

Very truly yours,

FONG & FONG

Members, Silvertree Mojave Homeowners Association, Inc.

Re: litigation disclosure

Dear Silvertree Members:

As reported to you in August 2016, the Silvertree Mojave Homeowners Association, Inc. ("Silvertree"), its Board of Directors, individually and as members of the Board of Directors and Don Murphy, your manager, also individually and d/b/a Management Solutions ("Silvertree Defendants") have all been sued in the United States District Court of Northern California by Domenica Lewis; Jerrold Lewis; Domenica Lewis as the guardian ad litem for their minor children and themselves and all others similarly situated; and Project Sentinel, a California Non-profit corporation on behalf of itself and the general public.

The case was filed on June 24, 2016, and bears Case Number 4:16-cv-03581. The case states it is a Class Action Complaint for Violations of the Federal Fair Housing Act, California Fair Employment and Housing Act, Unruh Act, and for Breach of Fiduciary Duty. They have demanded a Jury Trial. The essence of the case is their claim Silvertree allegedly discriminates against children in the application of its rules and regulations.

The defense of the lawsuit has been tendered to Farmers Insurance ("Farmers"), Silvertree's insurance company. Farmers issued Silvertree's liability insurance policies. Farmers has accepted and agreed to pay the cost of defending Silvertree and all of the named defendants. Therefore the cost of paying for the law firm representing the Silvertree defendants is being paid for in its entirety by Farmers and Silvertree is not contributing to this cost. Further, if any financial liability is imposed against the Silvertree defendants, it was be the result of negligence and certainly not intentional discrimination against children. Accordingly the settlement or judgment, if any, should be paid by Silvertree's two Farmer's insurance policies: its general comprehensive liability and Directors and Officers liability policies.

A response denying all of the substantive allegations of the complaint (lawsuit) was filed. All of Silvertree's rules and regulations are age neutral. They do not refer to children or the age of an individual. The plaintiffs are taking the position that because the rules were enforced against children more often than adults, they therefore discriminated against children. The position of the Silvertree defendants is the rules and regulations were enforced without regard to age, but on the basis of complaints and reports of violations. Silvertree cannot control the age of individuals who violate its rules and regulations. Accordingly, the Silvertree defendants are vigorously defending against any and all claims of wrongdoing. The complaint is unclear on the magnitude of the financial relief the plaintiffs are claiming they are entitled and therefore the

extent of Silvertree's liability, if any, is unknown.

Please be advised if you are in the process of selling your home you MUST disclose the existence of this lawsuit to ALL prospective buyers. For the time being you may discharge your duty of disclosure by providing a copy of this letter and advising the buyers they have the right to exam and inspect the District Court's file in this matter.

Very truly yours,

FONG & FONG

BRI LANDSCAPE FIRM

BRI Landscaping has begun trimming the bushes and shrubs throughout the association to be trimmed down to 4 feet high and 3 feet apart. This is for safety and security reasons, as recommended by the Fremont Police Department.

BRI's service date at the association is on Wednesday. Please be patient, as they have quite a bit of work that needs to be done and repairs that need to be made to the irrigation lines that have been pulled up.

Management Solutions has requested BRI's estimates for converting the quads that had wood chips placed down, back into lawn areas. Depending upon the cost, which will be quite expensive, your Board of Directors will need to review the estimates thoroughly and discuss the cost, as to adding irrigation back into these areas.

Your Current Board of Directors are as follows:

Lee Adams	President
Tamela Durant	Vice President
Marilyn Black	Secretary
Anand Bhaskaran	Treasurer

TRASH ENCLOSURE AREAS

The onsite maintenance person has reported that residents continue to leave trash bags on the ground outside of the dumpsters and boxes are not being broken down flat. If a person cannot reach high enough to place the trash bag inside of the dumpster, do not send them to take the trash out. The refuse drivers will not pick this up. They will just drive by and not even dump the trash from the dumpsters, as the bags are in the way. Please, place the trash bag **INSIDE THE DUMPSTERS** and **BREAKDOWN ALL BOXES**. Thank you.

LITIGATION UPDATE

The litigation attorney, Lisa Roberts has notified us that there is no settlement of the litigation, as of May 8, 2017.

QUAD AREAS

Your Board of Directors has requested that Management Solutions procure two (2) quotes to return the Quad Areas with grass that were recently taken out and replaced with mulch. One quote has come in at \$14,350.00, due to one quad no longer has a sprinkler system. A new system would have to be installed.

WATER CONSERVATION

Even though Governor Brown has lifted the state requirements for water conservation, the association will still be in water conservation mode. We appreciate everyone's daily efforts. A few helpful hints to follow:

- Limit showers to 10 minutes.
- Don't fill bathtubs to capacity.
- Check toilet's flapper to make sure it works properly and does not run-on, as this wastes up to 200 gallons of water per day.
- Check exterior water valves to make sure they do not leak.
- Check all of your water use fixtures to make sure all caulking is good and valves are not leaking.
- Turn your water heaters down.
- No washing down your patios or balconies,
- No vehicle washing is allowed.
- For the time being, your Board of Directors has decided the exterior patio water spigots will remain capped off.

NEWSLETTER IS LEGAL NOTICE

Your monthly newsletter is “legal notice” to the membership. If and when possible, notices of work being done throughout the association will be attached to your newsletter, or articles of interest to everyone, as well as, Board Resolutions are placed in your newsletter.

Off-site homeowners who rent their units are required to supply a copy of the monthly newsletter to their tenants, as well, a copy of the association’s governing documents, rules and regulations.

The “Sports Activity” or “Playing in Common Areas” rules has been rescinded as of April 18, 2016.

LITIGATION SETTLEMENT UPDATE

The latest on the litigation settlement is in it's final session with important sections that remain to be agreed upon. Once agreement is final, the Board of Directors will sign it, hopefully by the July 10, 2017 board meeting.

TRASH ENCLOSURE AREAS

Please be reminded that the Association dumpsters are to be used for household garbage only. The garbage company will not collect furniture or construction debris. Homeowners are required to dispose of large items. If you have items to haul away, we recommend calling Bill Cotton, of Have Truck Will Haul, as his disposal fee is nominal compared to the violation charges to your account.

Bill Cotton
Have Truck Will Haul
(510) 797-0977

If a resident cannot reach high enough to place the trash bag inside of the dumpster, do not send them to take the trash out. The refuse drivers will not pick bags left on the outside of the dumpsters. They will just drive by and not even dump the trash from the dumpsters, as the bags are in the way. Please, place the trash bag **INSIDE THE DUMPSTERS** and **BREAKDOWN ALL BOXES**.

In order to prevent unnecessary costs for the Association, please report anyone dumping prohibited items or loitering in the enclosures to Management Solutions at (510) 659-8969 or managementsolutionshoa@gmail.com. Any trespassers should be reported to Fremont Police at (510) 790-6800. We thank everyone for the daily efforts and cooperation.

FOURTH OF JULY

We want to remind our residents that ALL fireworks are banned in Fremont. This ban includes the "safe and sane" variety of fireworks, (i.e.: sparklers, fountains, flowers, etc.) that are legal in some other cities. The City of Fremont fines for possession of illegal fireworks start at \$500.00. We wish you all a safe and happy Fourth of July holiday.

RESIDENT REGISTRATION FORM REMINDER

If you do not have your Resident Registration form turned in, you will not be coded into the new directory system once it's installed. Please be reminded only phone numbers beginning with the "510" area code will be allowed to be coded. No other area code numbers are allowed, as they are long distance for the HOA.

Please get your forms in either by mail, fax or email to:

Management Solutions

Newark, CA 94560
Fax: 510-656-4495

Email: managementsolutionshoa@gmail.com

WATER CONSERVATION

Even though Governor Brown has lifted the state requirements for water conservation, the association will still be in water conservation mode. We appreciate everyone's daily efforts. A few helpful hints to follow:

- Limit showers to 10 minutes.
- Don't fill bathtubs to capacity.
- Check toilet's flapper to make sure it works properly and does not run-on, as this wastes up to 200 gallons of water per day.
- Check exterior water valves to make sure they do not leak.
- Check all of your water use fixtures to make sure all caulking is good and valves are not leaking.
- Turn your water heaters down.
- No washing down your patios or balconies,
- No vehicle washing is allowed.

For the time being, your Board of Directors has decided the exterior patio water spigots will remain capped off.

SUMMARY OF YOUR OPTIONS IN THIS SETTLEMENT:

<p align="center">1. AGREE WITH THE SETTLEMENT</p>	<p>If you read the notice and decide you agree with the settlement, just fill out the enclosed form with your household information and send it back in the enclosed envelope. If the Court decides that the settlement is fair to all class members (such as yourself), then, by providing proof of membership in the class, you will receive a settlement amount according to the table below, and you and the other class members of your family will be bound by the terms of the settlement agreement, including a release of the claims against Defendants as set forth in the agreement.</p>
<p align="center">2. OPT OUT OF THE SETTLEMENT</p>	<p>If you "opt out" of the settlement, you will reserve your individual right to file a separate court case and seek individual relief. This will be your own case, separate from the class, for any individual claims you have against one or all of the Defendants relating to what Defendants did or did not do that is at issue in this class action. If you do not wish to be part of the class settlement and decide to opt out, you will not receive any money from the class settlement.</p> <p>In order to opt out of the class settlement, you must send a letter to the attorneys for the Plaintiffs explaining that you wish to "opt out" of the settlement. This letter must be sent by September 11, 2017, per the instructions in #8 below.</p>
<p align="center">3. OBJECT BUT DO NOT OPT OUT</p>	<p>If, after reading this notice, you decide that you do not agree with the class settlement, you can object while remaining a member of the class. In order to object, you must first object in writing by sending a letter to the attorneys for the Plaintiffs (the Law Foundation of Silicon Valley), explaining why you do not agree with the settlement generally, or why you do not agree with any individual term or terms of the settlement. You must send this letter by September 11, 2017. We explain how to do this below at #9. Objecting to the settlement is not the same as opting out of the settlement (as described above).</p> <p>After you object in writing, you may go to the final fairness hearing to tell the Court in person why you don't think the settlement is fair to the class members.</p> <p>You must first object in writing as explained in #9 below. The hearing will be on October 26, 2017, at 8:00 a.m. in Courtroom 8, which is on the 19th floor of the U.S. District Court for the Northern District of California, located at 450 Golden Gate Ave., San Francisco, CA 94102.</p> <p>Under this option, if your objection is overruled (not allowed by the Court), then you will be bound by the settlement agreement. If you wish to preserve your rights to file your own separate court case in the event your objection is overruled, then you must also opt out as described in #8 below.</p>
<p align="center">4. OBJECT AND OPT OUT</p>	<p>You may both object and opt out. Doing so preserves your right to file your own case if the Court overrules your objection. You must both opt out in writing as described in #8 below and object in writing as described in #9 below. You must do both by September 11, 2017.</p>

1. **Why are you sending me this notice?**

Federal Law requires us to send you this notice because it is likely that the class settlement in this case will affect your legal rights. This notice is to tell you about the court case, the class settlement we agreed to, and what to do if you agree or disagree with the settlement. You have a right to get this information and give your opinion before the Court decides whether or not to finally approve the class settlement. The Court has preliminarily approved the settlement, but will make a final decision after the hearing on October 26, 2017. The Court in charge of the case is the United States District Court of the Northern District of California. United States District Court Judge William Alsup is the judge overseeing the case. His court is located in San Francisco.

2. **What is this case about?**

In this case, Dominica and Jerrold Lewis (and their two minor children) and Project Sentinel (Plaintiffs) argued that Defendants imposed unreasonably restrictive rules against families with children and prohibited children from playing in the residential common areas, in violation of fair housing laws.

3. **Why is this a class action?**

In a class action, one or more people, called class representatives, sue on behalf of all people who have similar claims (a "class"). The Class Representatives in this case are Dominica Lewis, Jerrold Lewis, and their minor children. Project Sentinel, a local nonprofit organization dedicated to eliminating housing discrimination, is also an individual plaintiff in this case. Usually, class actions happen when the same issue affects a lot of people and it wouldn't make sense for everyone to file their own lawsuit.

4. **Why is there a settlement?**

The case did not get decided by the Court. Instead, the Plaintiffs and Defendants negotiated a settlement agreement. This does not mean that Defendants admit that they did anything wrong. The Plaintiffs and their attorneys think the settlement is fair and is in the best interests of everyone.

5. **What are the terms of the settlement?**

A copy of the class settlement agreement is located at: <http://www.silvertreemohavesettlement.com>. Below is a summary of the relief granted to class members:

- Defendants will permanently rescind and not enact any rule in the future that prohibits children from playing in the common areas of Silvertree-Mohave.
- Defendants will post signs in the Silvertree-Mohave common areas stating that "Any resident, including children, are permitted to play in common areas of the Complex." This information will also be published in the Silvertree-Mohave Homeowners Association's monthly newsletters. The signs and newsletter announcement will be maintained for at least three years from the date of the settlement agreement.
- Defendants will pay the total sum of Eight Hundred Thousand Dollars (\$800,000) to the class, as a whole, as damages to be allocated among all class members as described in section 6.
- Defendants will pay the sum of Thirty-Five Thousand Dollars (\$35,000) to class representatives Dominica and Jerrold Lewis for their individual damages related to their separate and individual claims, not class claims.
- Defendants will pay Plaintiff Project Sentinel Nineteen Thousand Dollars (\$19,000) for its damages related to its individual claims.
- Lee Adams and Marilyn Black will step down from the Board of Directors of Silvertree-Mohave.
- The current board members and all future board members will receive fair housing training.
- The Board will evaluate the need for better play areas for children and their families with input from the residents of Silvertree-Mohave, in order to determine what the residents want and need.
- No member of the Association will be assessed directly or indirectly for any of the costs of this lawsuit.

If you do not have access to the internet to obtain a copy of the settlement, you may contact Class Counsel to request a copy be mailed to you. You can either write:

6. How much should I expect to get?

The cover letter included with this notice specified the amount of damages we expect you to receive based on the information that we have. The amount of damages each class member will receive depends on the total number of class members. Each household will receive a check based upon the number of class members in the household, namely, the number of persons in your family who (1) lived at Silvertree-Mohave at any time between January 1, 2011 and July 16, 2016 with children under the age of 14, or (2) who were themselves children under the age of 14 living at Silvertree-Mohave during that time. Based upon the information we currently have, we estimate that there are approximately 334 class members. After deducting the costs of administering the settlement (currently estimated to be just under \$20,000) from the total settlement amount (\$800,000), and dividing the remaining \$780,000 by 334 class members, we estimate that each class member will receive approximately \$2,335.00 per person. This amount may vary slightly depending on whether there are more or less class members after we verify the class. Here are the current estimated amounts per household:

Household Composition	Expected Settlement Amount (per household)
Five class members (e.g. 2 adults, 3 children < 14)	approximately \$11,675
Four class members (e.g. 2 adults, 2 children < 14)	approximately \$9,340
Three class members (e.g. 2 adults, 1 child < 14 or 1 adult and 2 children)	approximately \$7,005
Two class members (e.g. 1 parent, 1 child < 14)	approximately \$4,670

You must fill out the Household Information Form to ensure you get the appropriate amount of the settlement. If you are not sure whether you are a class member, you may contact the Claims Administrator at the number listed in section 16 below for more information.

7. What happens if there are any funds left over after all of the settlement disbursements?

If there are any remaining funds after the disbursements to the known class members, depending on the amount, the remaining money will either be redistributed to the class, or it will be distributed as "cy pres" to a not-for-profit organization to be determined by agreement of counsel for the parties and approved by

the Court. If the amount is less than an additional \$25 per class member, the agreement states that the money be distributed as a *cy pres*. *Cy pres* awards are distributions of the remaining funds from class action settlements or judgments that cannot be distributed to class members. *Cy Pres* awards are usually given to not-for-profit organizations.

8. **Can I decide to not be a part of the class settlement?**

- 1) Send a letter to the address below stating that you wish to "opt out" and provide the names and ages of all members of your household choosing to opt out.
- 2) Be sure that all adult household members sign the letter and state their relationship to any child that is also seeking to opt out of the settlement.
- 3) Mail the "Opt-Out" letter by first class mail, using the enclosed envelope and postmarked no later than **September 11, 2017**, to:

The Law Foundation of Silicon Valley

152 N. Third Street, 3rd Floor
San Jose, CA 95112.

9. **What if I want to stay a part of the case, but I don't agree with some parts or all of the class settlement?**

This is called objecting to the settlement. You have a right to tell the Court your opinion on the class settlement. To do this you must:

- 1) **First**, write a letter to the address below stating that you object to the settlement and giving **all the reasons** you object to the settlement.
- 2) Be sure that all adult household members seeking to object sign the letter and state their relationship to any child in the household who is also a member of the class.
- 3) Send the letter by first class mail, using the enclosed envelope and postmarked no later than **September 11, 2017**, to:

The Law Foundation of Silicon Valley
Fair Housing Law Project
Attn.: Silvertree-Mohave Settlement
152 N. Third Street, 3rd Floor
San Jose, CA 95112.

- 4) Come to the Court hearing on October 26, 2017, if you wish (see below at #10).

10. **How do I object to the class settlement in person?**

The Court will hold a Fairness Hearing on **October 26, 2017, at 8:00 a.m.**, at the U.S. District Courthouse located at 450 Golden Gate Avenue, San Francisco, CA 94102 (Courtroom 8, 19th Floor). At this hearing, the Court will consider whether the settlement is fair, reasonable and adequate. If there are objections, the Court will consider them. The Court may listen to people who have asked to speak at the hearing. **You must first object in writing (see above #9) in order to be heard at the hearing.** We do not know when the Court will make a decision, following this hearing, on the request to approve the settlement and any amount of attorneys' fees to be awarded to the class.

11. **Do I have to come to the hearing?**

No. You only have to come to the hearing if you want to object to the settlement in person. Remember, you can object solely in writing by taking the steps at #9 above.

12. What happens if I do nothing at all?

If you read the notice and decide you agree with the settlement, you are entitled to receive an amount of money for damages (as estimated above). In order to confirm class membership, simply complete and send in the enclosed Household Information Form in the pre-paid envelope. If the Court decides that the settlement is fair, then you will be awarded money damages discussed above. If you fail to provide the Household Information Form, you may receive a check anyway, but only if we have sufficient information to know that there were children under the age of 14 in your household during the class period (Jan. 1, 2011 – July 16, 2016). If you are in the class and cash the check you receive in the mail, this also means that you cannot sue the Defendants in the future regarding this same fair housing issue and you will be bound by the terms of the settlement agreement. If you are unsure what to do, please call the Claims Administrator toll-free at 1-866-763-9501.

13. What are the important dates in this case?

There are only two dates for you to remember:

- 1) **September 11, 2017** – Deadline to object, opt out (or both object and opt out), or submit Household Information Forms.
- 2) **October 26, 2017** – Date of the Fairness hearing

14. Do I have an attorney in this case?

The Court has appointed the Law Foundation of Silicon Valley and Winston & Strawn LLP as class counsel, to represent all members of the Class collectively. If you want to be represented individually by your own attorney, you can hire one at your own expense. To contact the Law Foundation please write to:

The Law Foundation of Silicon Valley
